# Annual Disclosure Statement for 01/04/15 to 31/03/16

# Forsyth Barr KiwiSaver Scheme Personal Choice – NZ Fixed Interest Sector

## What is the purpose of this statement?

This statement provides key information about the Forsyth Barr KiwiSaver Scheme Personal Choice – NZ Fixed Interest Sector. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

## Description of the fund

The general objective of the fund is to provide a gross return above the return of the S&P/NZX Investment Grade Corporate Bond Index (previously known as the ANZ Corporate Investment Grade Bond Index), on a rolling 12 month basis. We aim to achieve this by investing in a diversified portfolio of authorised investments, which may include New Zealand Government bonds, New Zealand Goldar denominated debt securities of overseas Governments and international institutions, local authority debt securities, corporate debt and other securities, and cash. The fund is actively managed.

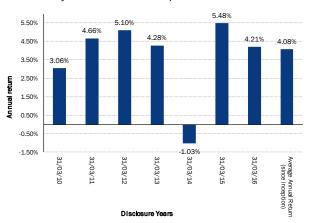

| Total value of the fund       | \$2,192,112.21 |
|-------------------------------|----------------|
| Number of members in the fund | 251            |
| Date the fund started         | 26 June 2008   |

## How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

## What fees were members charged?

The returns above are after deductions for fund fees<sup>2</sup>. Over the past year these were:

| Total fund fees        | 1.23% of members' investments |
|------------------------|-------------------------------|
| Which are made up of:  |                               |
| Annual management fee  | 0.99%                         |
| Performance-based fees | 0.00%                         |
| Other fees and costs   | 0.24%                         |

Members were also charged membership fees<sup>3</sup> of \$36 over the year.

Further detail about fees charged can be found in the current *Investment Statement*.

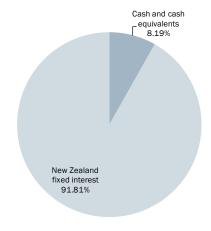

## Example of how this applies to a member

Jane had \$10,000 in the fund at the start of the year and didn't make any further contributions. At the end of the year, Jane received a return after fund fees and tax were deducted of \$421 (that's 4.21% of her initial \$10,000). Jane also paid \$36 in membership fees. This gives Jane a total return of \$385 for the year.
